

ARTS Culture

Newcomers with an affinity for arts and culture tend to be pleasantly surprised by what they find here in southwest Montana. It's no wonder—for a town the size of Bozeman, the variety of cultural offerings is staggering. **Theatre, opera, dance, music, crafts, museums, fine cuisine**—we've pretty much got it all here, and at an impressive level of quality. Summertime is when we stretch our cultural wings the widest, with art walks, the Sweet Pea Festival, and a host of outdoor music and dance festivals throughout the season. Promote your business in *Outside Bozeman* magazine's Arts & Culture section this summer, and enjoy special discounted rates.
